Sir:

In the Notice of Allowance and Fee(s) Due dated April 14, 2006, the title of the application is incorrect.

The title reads "Power on Device Method for Controllably Powering a Circuit System with an Adaptor or with a Battery".

The correct title should read "A Power on Device Method for Controllably Powering a Circuit System with an Adaptor or with a Battery" as amended in our December 28, 2005 response.

Please ensure that the Patent issues with the correct title.
